PERSONAL GLASS

Keep me with you

Let's reduce waste and LIVE BETTER with **REGO**, your new personal glassware that comes with design concept of

- REFILL** (fill up your drink)
- REUSE** (non-stop repeated use)
- REDUCE** (produce less waste)

Take REGO drinks wherever you go. It comes with a lid that allows you to sip drinks without need for a straw; simply slide the tap to open. Your drinks will be more hygienic and fresh, and the glass body features a silicone jacket to hold it tight and reduce condensation. Even if you fill it with a warm beverage, you will be able to hold it comfortably. Choose your preferred color and cheers!

Covered lid; just slide it open to enjoy a drink!

Silicone grip to hold securely and reduce condensation.

WHY ME?

Let's help to reduce waste and LIVE BETTER.
